

Home Owners Association

## **Recycling Service**

Recyclable garbage will be collected for a trial period from November 2020 until January 2021.

Participation and efficiency will determine whether this service will be permanently available.

Collection Day:

Starting on Wednesday 4 November 2020, weekly on a Wednesday

Recyclable items must be clean and dry and put in a clear plastic bag (for residents' own account), before 8:00am on collection day

Containers to be clean (rinsed)

Items not suitable for recycling:

- Styrofoam / Foamlight
- Takeaway cooldrink/coffee containers
- Window glass
- Plastic that crackles
- Rubber
- Tissue paper

Items suitable for recycling:

- Glass containers, including bottles, jars, bowls, etc.
- Cardboard, including boxes, containers, rolls
- Cans, including food cans, cool drink cans, aerosol cans
- Paper
- Plastic containers and bags

Other items that will be collected:

- Plastic crates (no marked milk crates)
- Plastic furniture and toys
- Black PVC Pipes
- PVC Cable wrapping
- Electrical wire
- Old motor- and cooking oil
